Dear Sir,

In a return concert to Queen of All Saints Church, Oakville, Missouri, Donna Cori Gibson was tremendous hit at our recent Advent Concert. Donna is an artist who weaves her personal faith into her concert. Her music represents the traditional and the contemporary sounds. Her personal testimony to her faith and her beautiful voice were well received by the audience once again. I highly recommend that the talented Donna Cori Gibson be invited to appear at Catholic parishes. She is inspiring!

Sincerely in Our Lord and Our Lady,

Reverend Monsignor Joseph M. Simon
