To Whom It May Concern:

Donna Cori Gibson performed a Concert celebrating the Feast of the Assumption of Mary for the parishioners of St. Mary Church. Donna also sang several musical selections at Mass prior to the Concert.

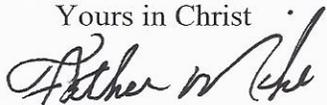

The Concert, more apply called a Prayerful Mission, was inspiring and very spiritual. Donna was very well received as she guided us in song-filled prayer and touched many people's hearts.

Donna was very affordable and made working with her a delight. She is truly a gifted and spiritual person.

We are very grateful for her visit and will look forward for another opportunity to see and listen to her in the future.

I hope you enjoy her Mission and Music as much as we at St. Mary.

Yours in Christ

Fr. Michael Nimocks
